**Updated:** January 2019 (to be updated December 2019)

There are various committees at Dunnville Christian School that do fundraising. All these committees are run by volunteers, and we are very thankful for their time, talents and efforts for their various functions and events.

Through their efforts, this is what was accomplished for the 2017-2018 school year:

1. **BOOSTER CLUB:** They are a catering club and participate in a variety of functions: weddings, anniversaries, dinner parties, Open Houses, Golf Tournaments, bi-annual GST Auction, and much more. In other words, if you have a function that you need catered, the Booster Club is able to fill that need. They raised **\$25,000.00** that was given directly to DCS, and these funds were used to purchase new chairs for the gym.
2. **BAZAAR COMMITTEE:** This committee organizes and runs the annual Bazaar, held each November. They raised **\$29,750.00**.
3. **COMPUTER COMMITTEE:** This committee hosts various functions and sales during the course of the year: Pancake Breakfast/Scrap Metal drive, chocolate letter sales, Spring Lawn/Plant Sale, chocolate/white milk sales, chicken sales, newspaper bin, etc. They continue to make it possible to keep our school updated in regards to computer needs on an ongoing basis. Approximately **\$1,560.00** was raised.
4. **GOLF TOURNAMENT:** This annual event is run in the spring. **\$12,350.00** was raised.
5. **PILLARS OF SUPPORT CAMPAIGN:** **\$328,726.00** was raised. This made it possible to upgrade the school building with more adequate space for the resource room, an updated office, and accessible washrooms.
6. **T.R.I.P. VOUCHER/GIFT CARD PROGRAM:** Everyone is encouraged to participate in the gift card/voucher program. This past year, approximately **\$25,009.00** was raised in DCS Tuition credits, which translated into actual tuition reduction directly for the families that purchased vouchers/gift cards.

Due to the efforts of the Booster Club, Bazaar & Computer Committees, Golf Tournament & Pillars of Support Campaign, the funds raised for DCS came in at a combined value of approximately **\$397,386.00 (added items #1-#5)**. This translates into approximately **\$5,759.00 per tuition-paying family** (69FTE-Full Time Equivalent). This amount **does not include** the tuition credits of vouchers/gift cards being purchased from the TRIP program.

**Thank you volunteers** for all your efforts! We are very grateful and appreciative of what you do to raise funds for all our school needs and to keep tuition at a reduced amount.
