

Tuition Reduction Incentive Program is a Fundraiser that has no cost to the user, yet yields return. For every eligible dollar spent at participating vendors, your Tuition will earn money.

This program is offered to **EVERYONE**: those who support DCS, those who would like to help a family member or friend, and for those who do not have children attending DCS yet!

So let's get **EVERYONE** involved!

Do you have **Grandparents** or **Parents** who would like to buy gift cards? Please share with others how this program can benefit tuition paying families.

How Does this work?

Purchase gift cards through DCS to a variety of vendors at various denominations. There is no additional cost to you. Shop at gas stations, grocery stores, and even restaurants. Earn tuition dollars spending the money you already spend.

Weekly, bi-weekly or monthly orders are welcome?

Contact any of our committee members for the list of vendors or questions you might have, they would be glad to help. The list is also available online (www.dunnvillechristianschool.ca).
