December 14, 2020

Dear Parent(s) of prospective JK and SK students,

Dunnville Christian School is growing, literally. We are currently adding four new classrooms to accommodate our growing number of students. A brand new JK classroom and SK classroom will be a part of the new addition. We pray that the project will be completed for the fall of 2021. This is very exciting to see and we are thankful to the Lord for the work that is being done!

We are looking ahead to the 2021-2022 school year at Dunnville Christian School. Currently, we have a 2-day JK program taught by Mrs. Laura DeHaan, and a 3-day SK program taught by Mrs. Carol Mellema. Additional days are offered at \$1500 per extra day of the week. The scheduled days will depend on the number of students that are enrolled in both our JK and SK programs. We encourage you to communicate early with us if you will be enrolling your child in JK or SK, and if you are interested in extra days so we can plan accordingly.

Normally we would have a Kindergarten Open House where children come and experience Kindergarten for a morning or afternoon, but this will look different due to current restrictions. New families are invited to tour DCS at scheduled times after school hours during January and February.

For current families of DCS, please inform the school of your intentions for your JK and/or SK age child by March 1, 2021. If you would like your JK and/or SK child to visit the school, please email the office to schedule a time after school hours in April.

Thank you for your continued interest in Dunnville Christian School. We look forward to hearing from you!

Grace and peace,

Mrs. Nicole Van Huizen
